Here is a lovely example of an A class Hymer B634 registered in 2004 on the large Fiat Ducato 2.8TDI engine. It is a 4 berth motorhome with 2 belted seats.

At the rear is a Large U shaped lounge which turns into one double bed or two single beds. In the centre is the kitchen opposite the bathroom and a drop down double bed above the cab at the front.

This motorhome comes with some nice extras such as cab air conditioning, cruise control, reversing camera, electric mirrors, radio CD player, awning, double electric step, bike rack, tow bar and much more.
