Here is a classic 2008 2 berth, 2 belts Autotrail Tracker EKS motorhome built on the Fiat Ducato 2.2TD engine with 100bhp. It comes in at 3,500kg which means you can drive this on just your car license.

This motorhome was circa £39,146 new.

Behind the cab is the 2 sofa lounge area which converts into your double bed in the evening or early afternoon if you have used your bikes that you have taken with you on the 2 bike bike rack. As you go back through the van you have the bathroom and a
